

658358 Bigz™ XL, Princess Dress & Deckled Cards by Brenda Walton

1. To create the Deckled Card, cut a sheet of paper to approximately 7 1/4" x 10 1/2" / 18.42cm x 26.67cm and fold in half as shown.

2. Prior to rolling the die through the machine, place the folded sheet over the Deckled Card portion of the die as shown, with the folded edge aligned with, but not covering, the spine blade on the die.

3. To create the Princess Dress Card, cut a sheet of paper to approximately 12 1/2" x 5 1/2" / 31.75cm x 13.97cm and fold in half as shown.

4. Prior to rolling the die through the machine, place the folded sheet over the Princess Dress portion of the die as shown with the folded edge aligned with, but not covering, the shoulder lines of the dress.
