

662726 Sizzix® Thinlits™ Die Set - Card, Flamingo Fold-a-Long™ by Jen Long

1. Fold-a-Long™ dies are designed to cut using the single-fold technique. This technique begins by folding a single piece of cardstock in half.

2. Place the folded cardstock on the Cutting Pad with the straight edge opposite the flamingos just past the edge of the fold.

3. Accordion fold the card as shown.

4. The center cutout is designed to fit between the top and bottom tabs in the center of the card.
